PATIENT HIPPA/ AUTHORIZATION FORM

Our Notice of Privacy Practices provides information about how we may use and disclose protected health information about you. The Notice contains a Patient Rights section describing your rights under the law. You have the right to review our Notice before signing this form. The terms of our Notice may change. If we change our Notice, you may obtain a revised copy by contacting our office.

You have the right to request that we restrict how protected health information about you is used or disclosed for treatment, payment or health care operations. We are not required to agree to this restriction, but if we do, we shall honor that agreement.

By signing this form, you acknowledge our use and disclosure of protected health information about you for treatment, payment and health care operations. You have the right to revoke this disclosure, in writing, signed by you. However such a revocation shall not affect any disclosures we have already made in reliance on your prior Acknowledgement. The Practice provides this form to comply with the Health Insurance Portability and Accountability Act of 1996 (HIPPA). **The patient or their parent or guardian understands that:**

Protected health information may be disclosed or used for treatment, payment or health care operations.

- The Practice has a Notice of Privacy Practices and that the patient has the opportunity to review this Notice.
- The Patient has the right to restrict the uses of their information but the Practice does not have to agree to those restrictions.
- The Patient may revoke this authorization in writing at any time and all future disclosure will then cease.
- The Practice may condition receipt of treatment upon the execution of this Authorization.

PRACTICE POLICIES: In order to serve your needs better, we ask that you read our policies and sign below.

1. We request a 24 hour (1 full business day) cancellation notice. Failure to call or "no shows" will be charged a \$25.00 administrative fee that is not billable to insurance. Surgery "no shows" will be charged \$50.00.
2. Prescription refills may take 24-48 hours to be processed. Please call your pharmacy to request refills.
3. If a patient loses their lab requisition form, there is a \$5 administrative fee.
4. Co-pays and deductibles are due at the time services are rendered.
5. Patients are responsible for verifying insurance coverage.
6. We attempt to make courtesy phone calls to remind you of your appointment but are unable to provide this service at all times. If you do not receive a reminder phone call and forget to come to your appointment, this does not cancel our "no show" policy above.
7. All returned checks will be charged a \$25.00 administrative fee.
8. If past bills are sent to collections, there will be a surcharge to cover the cost of the collection agency.
9. Some insurance plans consider any procedure (such as skin scraping, wart or molluscum treatment) to be a surgery. As such, these procedures may be subject to a separate deductible.
10. We are happy to see any and all children in your family, but a separate appointment is required for each child.

I acknowledge that I have read the above authorization and have had access to read Manju E. George, M.D., PLLC full notice of Privacy Practices. I have read, understand, and agree to adhere to the practices policies above.
